Virtual Record Sheet

Directions: Simply complete the distances for each phase of the triathlon and record of your times. The best part is you can complete the distances on your own schedule, even break them down into smaller, more manageable pieces or spread them out over a few days. The important part is that you accomplish your goal! When finished share your results by emailing us so we can post them ultraminitri@gmail.com or on our facebook page "Marathon Ultra Mini Triathlon". Total Times and registrations turned in by May 31, 2018 to be eligible for a shirt and awards. Registration can happen online at Active followed by an email letting us know you will be competing virtually.

Date	Type: Swim, Bike, Run	Distance	Time
